Spread over 3 acres
- Ahmedabad's biggest
shallow water lily pond with
more than 50 varieties of lilies.
Truly a feast for the eyes.

Highgrove also attracts migratory
birds during the season.
Welcome more than 200 species of
winged visitors from far off lands.

"Practice your swings.
Wherever and whenever you can."

Golf

"Work hard so that you don't feel
guilty when you're having
too much fun on the weekend."

Clubhouse

Exit blues.
Enter greens.

Leave behind the stressful time you had during the weekdays. Come Saturday, it's time to reward yourself with a scintillating game of golf. Highgrove's executive golf will inspire and challenge the golfer in you. And while you're swinging the club like a pro, your family can cheer for you.

Indulge yourself to the point of feeling guilty.

After a hectic week at work and home, it's time to take your senses on an indulgence trip. That's exactly what Highgrove's clubhouse has in store for you. A sprawling clubhouse with a built-up area of more than 40,000 sq ft, it has everything to keep you busy for the weekend – indoor & outdoor games like net cricket, squash, gymnasium and many more.

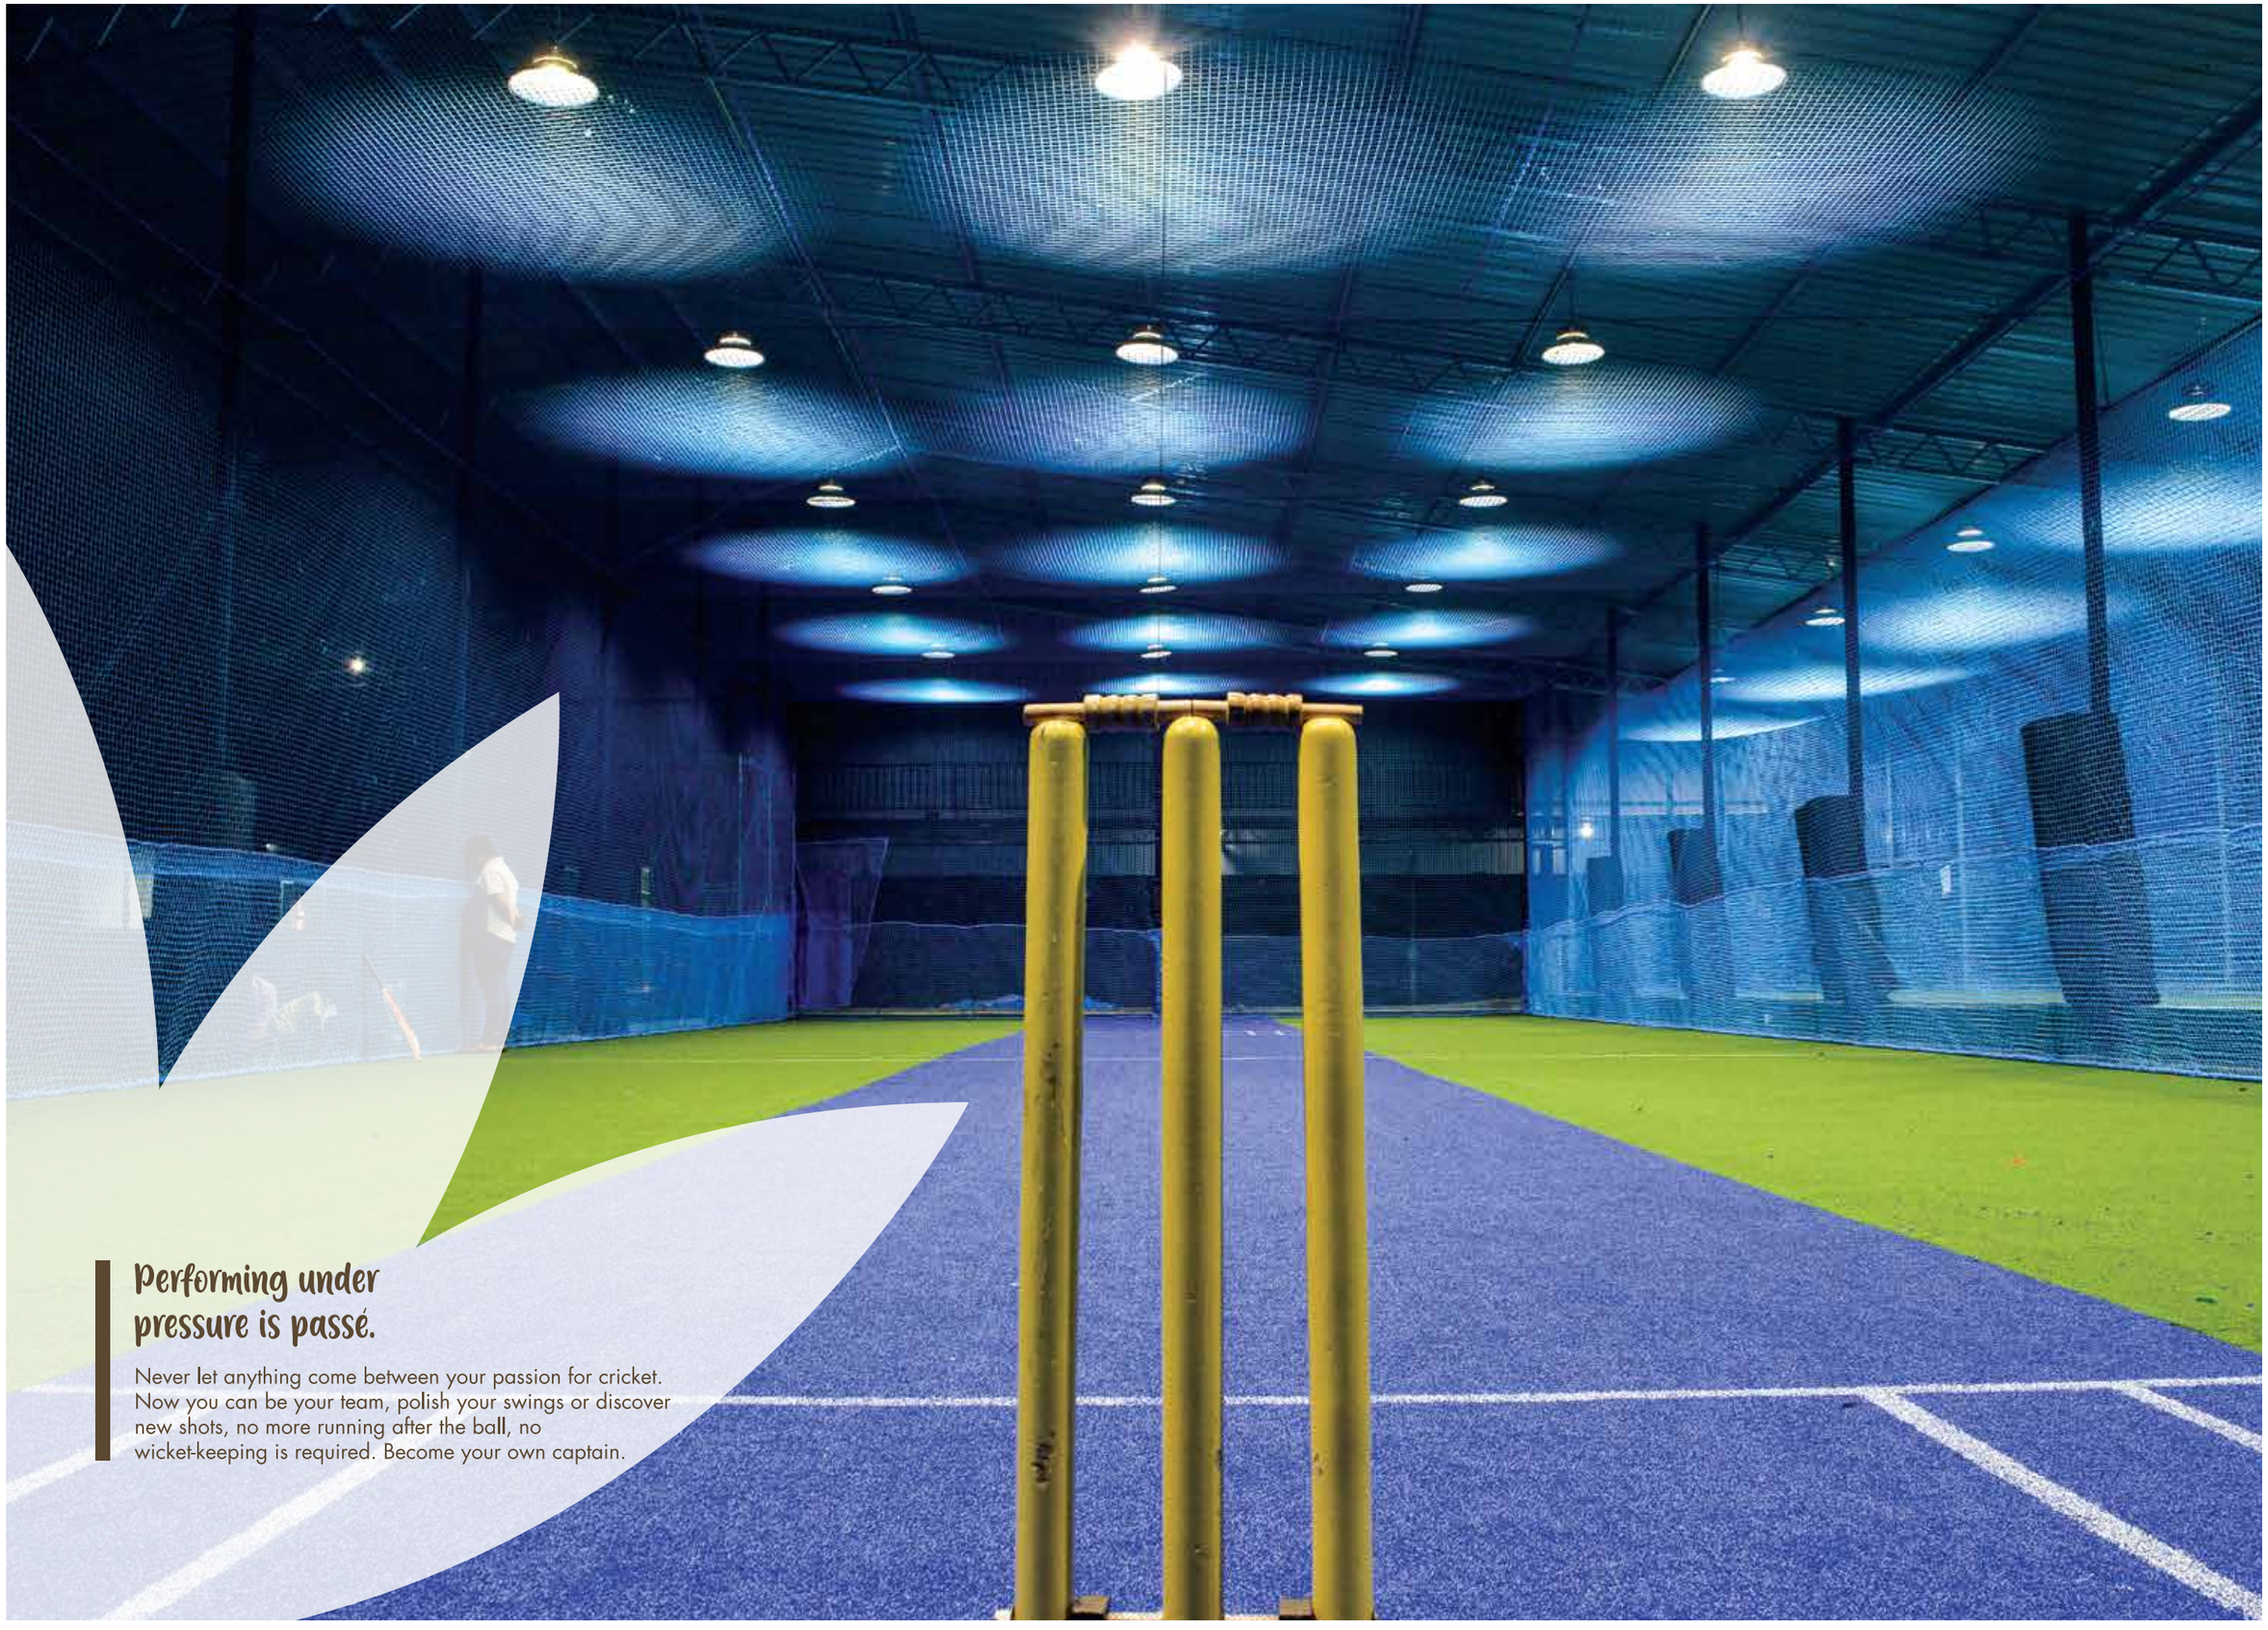

Disclaimer: "The Golf Course and Club ("Highgrove Club") is / will be a private club owned by an independent entity and is not a part of the Project. Images produced here are indicative and subject to variation."

"Practice, practice & practice till you discover your own batting shot or bowling style."

Net cricket

"Work on your backhands, forehands, serves, volleys, footwork. And of course, grunts."

Tennis

Performing under pressure is passé.

Never let anything come between your passion for cricket. Now you can be your team, polish your swings or discover new shots, no more running after the ball, no wicket-keeping is required. Become your own captain.

The ball is in your court.

Shake the dust off your racquet.
Pull out the tennis shoes from your attic.
Take on the court with the might of a Wimbledon champ.
Wield your racquet like a warrior's sword.
So that the ball obediently hits the spot you have in mind.

"Hold your breath.
And prepare yourself
for going deep."

Swimming

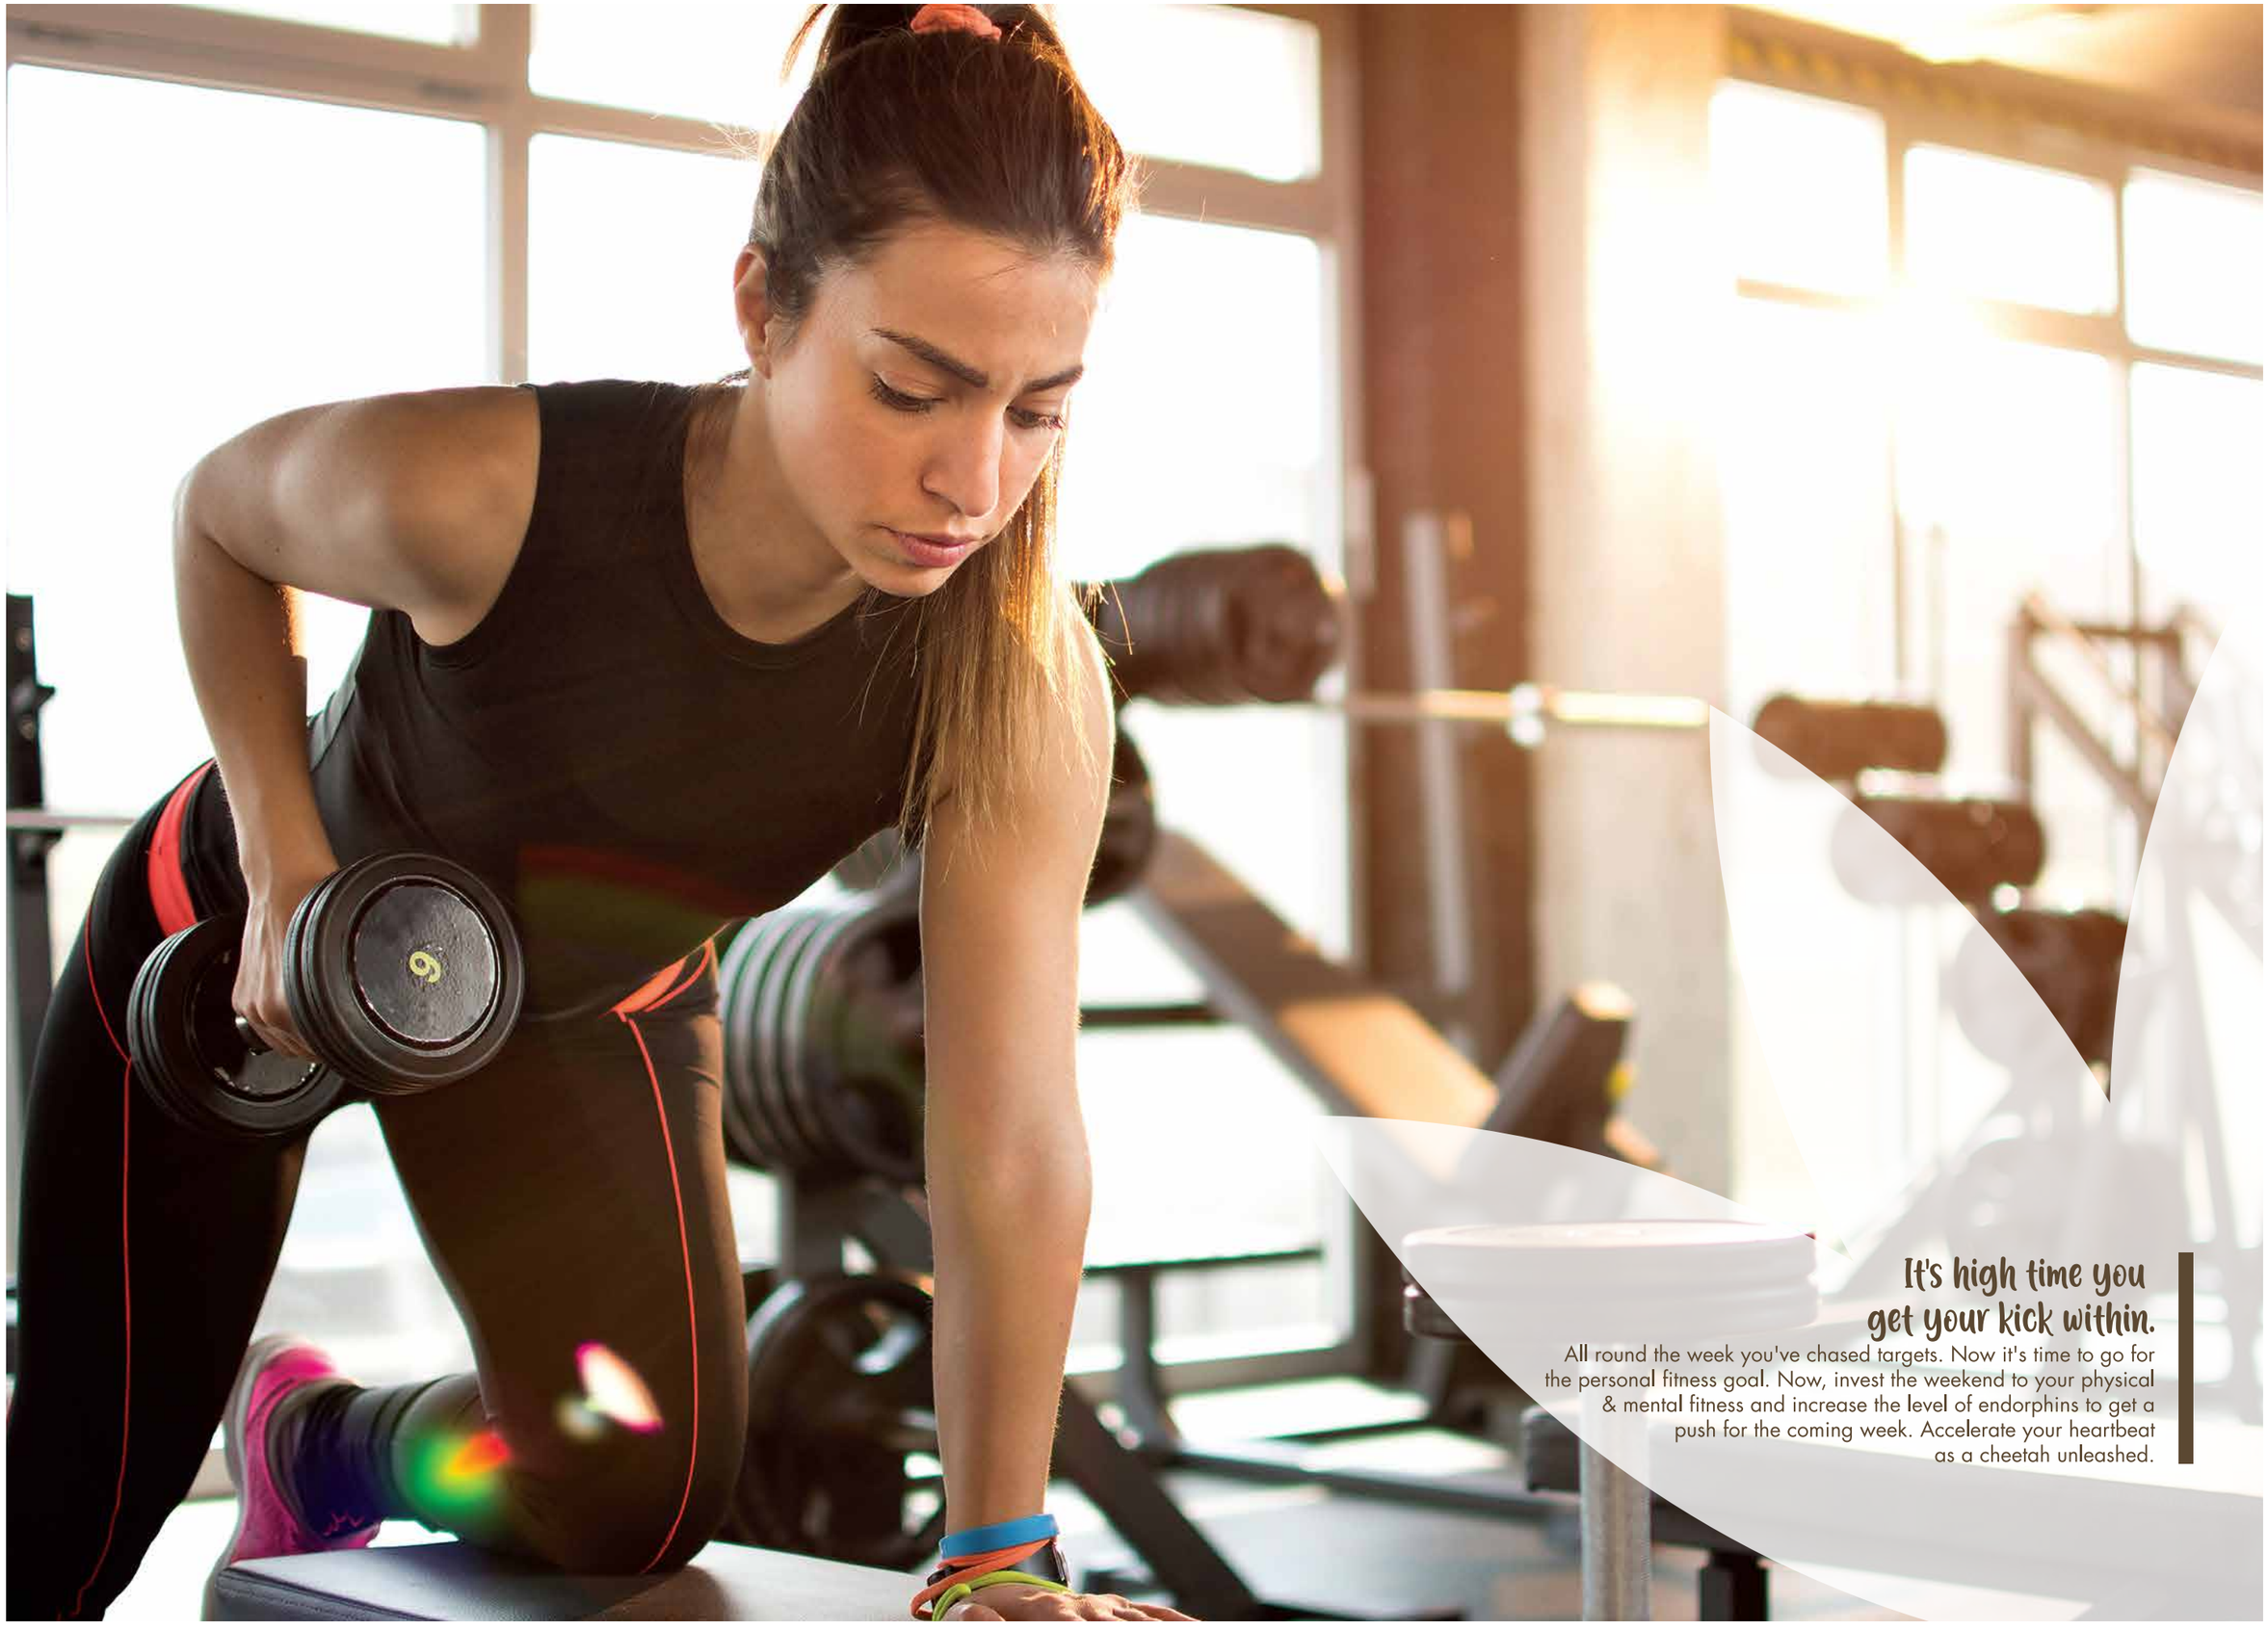

"Pump up your spirit,
not just muscles."

Gym

Come dissolve yourself.

That game of golf you played yesterday was nice.
Now it's time to turn aquatic and delve a little deeper.
It's time to step into the waters.
The cool waters of the swimming pool.
So go ahead, take a deep breath, plunge into the pool,
dissolve yourself and get reborn.

It's high time you get your kick within.

All round the week you've chased targets. Now it's time to go for the personal fitness goal. Now, invest the weekend to your physical & mental fitness and increase the level of endorphins to get a push for the coming week. Accelerate your heartbeat as a cheetah unleashed.

"Be ready to run, leap & dive
to burn upto 1000 calories
in just 1 hour of a game."

Squash

"Encourage your kids
to play more to
build up their stamina
for all the fun they'll have
over the weekend."

Kids Zone

If you can't beat them, squash them.

Are you insanely quick to play a game of squash? If not, here is chance to upskill your craziest shots and gruel your opponent with your killer stroke.

Gift your kids "a great time". Every weekend.

Being a kid is not easy these days. School. Tuitions. Homework. School projects. Extra curricular activities. At the end of the day, it leaves them with little energy to just relax and play. That's why Highgrove has a special Kids Zone, which has a host of different fun activities for them to enjoy.

"Plan something beyond your never ending to-do list because sometimes doing nothing is the best way to relax & rejuvenate."

Spa

"Get ready to tickle your tastebuds, relish the finest delicacies."

Restaurant

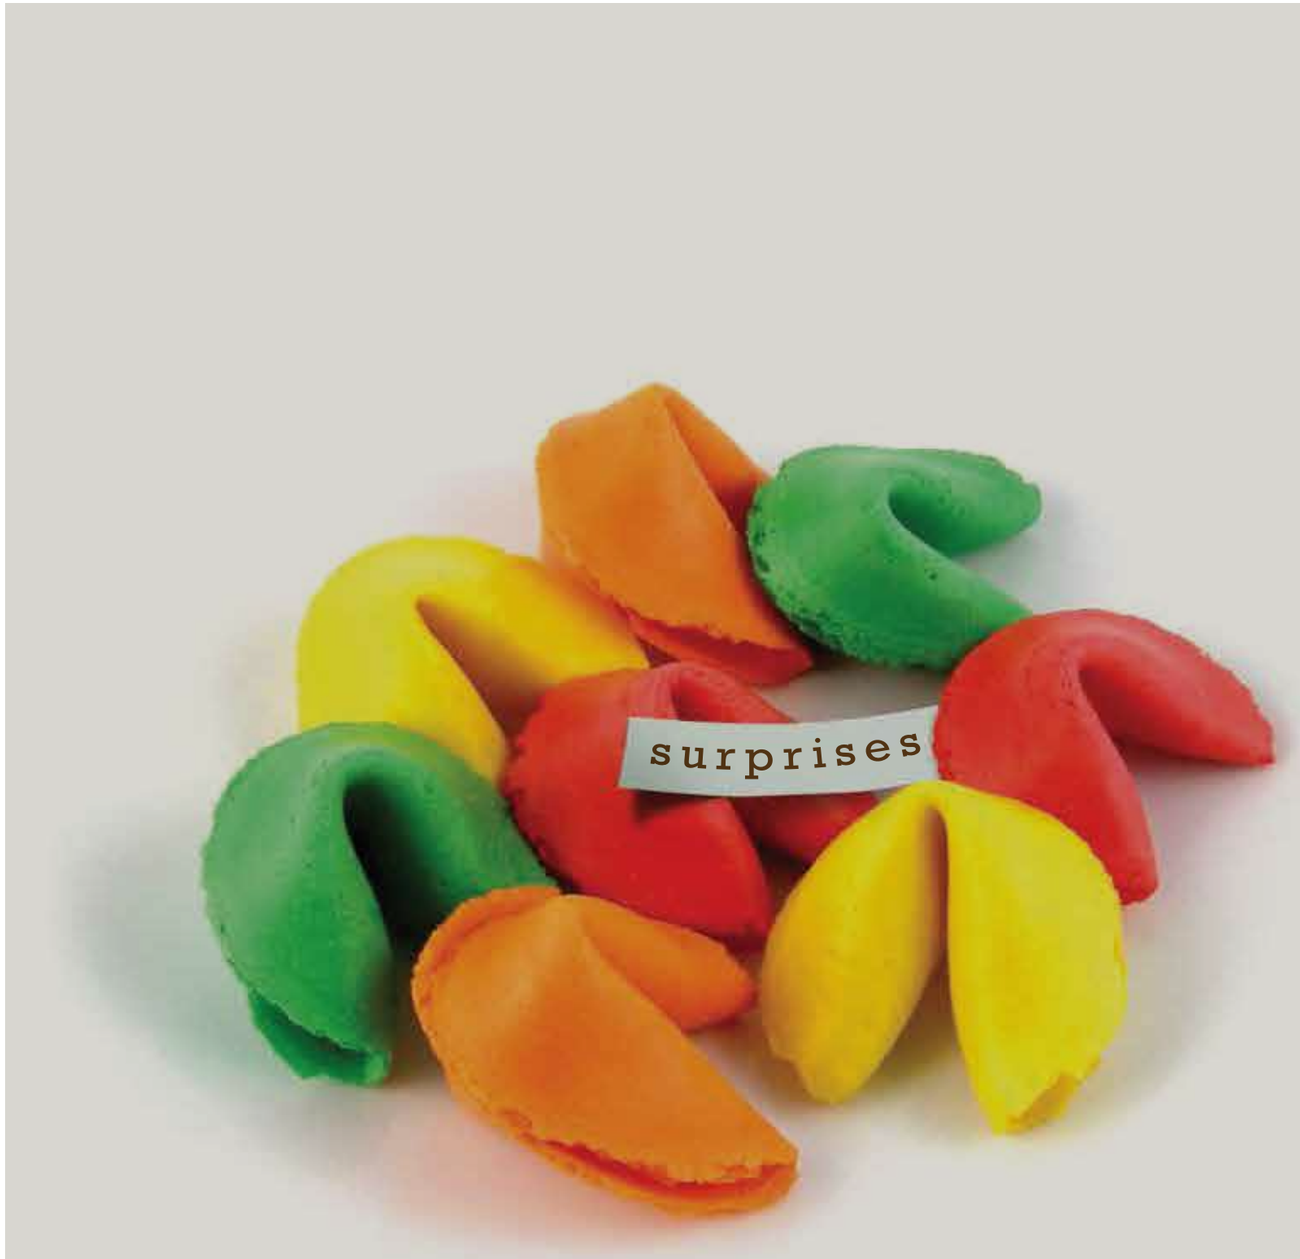

A peaceful mind, a relaxed body and a joyful soul.

Walk into the Steam & Sauna that offers the perfect balance of active fitness, soothing therapies and creative fulfillment, to help you attain a state of sublime well-being. After the tied-up week explore calmness, peace of mind, vibrant health and greater energy.

"Bon Appetit" with your family.

There is just no comparison between regular business lunch and a relaxed fun filled weekend family dinner. Enjoy intimate social sessions with your loved ones catered well by international cuisines at our restaurant.

And there are more weekend surprises in store...

If you are thinking that this is all
we have for you, hang-on!
We have planned more for you.

Weekends will never be the same again.
